

A person in a dark jacket and light pants stands on the edge of a snow-covered mountain peak, looking out over a vast, snow-covered mountain range under a blue and orange sky. The scene is captured during sunset or sunrise, with soft light illuminating the clouds and the snow. The person is positioned on the right side of the frame, standing on a rocky outcrop. The background shows a series of jagged mountain peaks covered in snow, extending into the distance. The sky is a mix of deep blue and warm orange, with scattered clouds catching the low sun.
